

Single Use License (Electronic)

The image(s), creation(s), or work product(s) included under this license are copyright *KA Mimms Photographix*. All rights are reserved by the creator except those granted under this license. This license grants the end user the right to use the image(s) (also called product or creation) one time only. The end user of the license is the entity placing the image(s) in an advertisement, promotional piece, mail piece or other printed matter.

This license grants the end user the right to use the image(s) (also called product or creation) one time only. The end user of the license is the entity placing the image(s) in an electronic Advertisement or website. The images covered under this license may be used on one website, or other electronic publication (ie.: e-mail promotion). The image(s) cannot be used in a print product except as printed by message recipients or website visitors. If the *KA Mimms Photographix* product is for production of a work for hire, the designer is the end user, not the designer's client. The client is included in this license as an entity allowed to use the product in its promotional piece. However, no other usage rights pass to the designer or end client and said client may not reuse the image(s) in any other work without purchase of a new license.

Once the image has been transmitted to the final destination and the product received by the designer and/or end client no further placement of the product is allowed and continued use is subject to additional fees. Failure to pay fees will result in prosecution under the applicable copyright laws. Enforcement of this license shall be in Johnson County, Kansas or other location solely designated by *KA Mimms Photographix*. For more information regarding this or another license please contact *KA Mimms Photographix* via e-mail at license@kamphotographix.com or via postal mail at (*Note: e-mail is the fastest response time*):
